SPONSORSHIP OPPORTUNITIES - UP TO 250 GUESTS EXPECTED

What is Elevation?

IPAF Elevation is the leading UK event for those in the powered access industry. Organised by IPAF it's the place to be for professionals who want to keep their finger on the pulse of the industry. It provides a unique opportunity to learn, share, and celebrate.

There will be a conference for addressing industry topics and IPAF updates. There will be plenty of opportunities for delegates to discuss best practice with colleagues, generate ideas and identify new opportunities for personal and business development.

In the evening, a drinks reception will give delegates the chance to mix informally with industry colleagues, to meet new faces and to strengthen connections with acquaintances. The gala dinner will follow, with a three-course meal and entertainment and a chance to celebrate all that's great about our industry!

Who attends & why?

Anyone with an interest in the powered access industry is welcome to attend - both IPAF members and non-members.

Why sponsor?

IPAF Elevation provides the perfect opportunity to showcase your brand, products and services to others in the industry. It's a chance to generate new sales opportunities and help build long term business relationships. As soon as you sign up as a sponsor, your logo is added to all pre-event publicity, thus maximising the exposure of your brand.
